Books

All children need to have their books as they are already being used for learning. The cost for stationery for all children is \$34.00. This is a discounted price for this week. Next week the price will be more as there will no longer be a discount. The school donation is \$10 a term for one child or \$15 for more than one child. The school donation is used to buy items such as sports equipment and library books.

It is HOT

It is hot at school – it is hot everywhere. So tomorrow and Friday we are going to get the hoses out and the children can play and cool down in the water. The children need to bring togs and a towel and the water play will be from 1.00pm-1.30pm – lunch time. Children do not have to participate, it is optional. Only children wearing togs will be able to join in.
